# **"GOODBYE SON, *See You In The* MORNING"**

**(A True Life Story)**

This is a true story of a saint of God at the point of his passage from this evil and wicked world. He was with his two sons, one of them was born again, he has repented from his sin and given his life to Christ, the other despite his father's prayer and preaching to him about his salvation and the need for him to repent remained defiant and adamant, he kept living the life of sin.

While the two sons were with the father at his point of leaving to be with Jesus, he turned to the one who is born again and told him goodbye son, I see you in the morning and then he turned to the second who was defiant and refused to surrender to Jesus and told him, goodbye son, out of a very deep curiosity the one he told only goodbye asked his father why he told his brother goodbye he will see him in the morning while he only told him goodbye.

The father made him realize that though he was leaving he was going to see his brother again because he is born again but for him he will not see him again because he is not born again, at that

point the son broke down and began to weep and he immediately gave his life to Christ.

Do you have a loved one, someone you cherished so much but he or she is no longer here but you know while such was here he or she was born again and committed to Jesus, you must know such a person has gone to be with Jesus in heaven and if you will ever see that your loved one again, then if you have not repented and given your life to Jesus, you must do it now, or hence it is over for you and such loved one because you will never see him or her again in the world to come or when you depart this world. If you remain in sin you will never set your eyes on Jesus in heaven nor in the new heaven and new earth which God shall unveil in the future at the end of this wicked and corrupted world.

The reason is simple, you shall spend your life when you leave this world or when Jesus shall return in the place of eternal fire and punishment prepared by God initially for the devil and his angels that rebelled against God before the creation of this present world. Read Matthew
