(A True Life Story)

**E**very normal human being has goals and aspirations, things that he or she intends to see happen in his or her lifetime. During the New Year celebration, you see people making a lot of resolutions as to how they want to live their lives for the New Year and the things they desire to see happen to them. However, not all who make such resolutions eventually live to see all fulfilled in their lives.

There is the true story of a young man who was full of life and aspirations, he made up his mind that he must become a millionaire at the age of 30. He was so tenacious and hungry to achieve that feat in life, it became the object of his pursuit and what he lived for, nothing else was of interest to him at that level, it was all about the pursuit of riches, in all of that, God was not in his thought to serve him. He was living in pursuit of that when something tragic that was beyond him happened to him at the age of 29. At that early age, he died, all his hope and aspiration perished, he never lived to see his 30th birthday nor ever become a millionaire.

What a vanity life is all about!!

As you read this tract, what is your pursuit in life? What are you living for? The things of this life or for God? Do you have time for God your maker? The bible tells us, what shall it profit a man if he gains the whole world and lose his soul? *Mark 8:36, Matthew 16:26.*

Repent now before it is too late. Your life is not in your hands but in the hands of God. Jesus is calling you to come to him so that he can forgive you your sins and cleanse you with his blood which he shed for you on the cross of Calvary. He said come to me all ye that labour and are heavy laden and I will give you rest, *Matthew 11:28.* Jesus is ready to give you rest from all your troubles which the devil and life has brought upon you.

The time to repent is now, seek God now, give up your sin, accept Jesus into your life and ask God for his forgiveness for all your sinful lifestyle. Do not say I will do it tomorrow that
