

they have given their lives to Jesus, meaning they have surrendered their hearts to Jesus, yet they keep going back into sin. To such, there is one last sin they will commit that they will never have the chance to repent again. The devil will seal their fate forever. The bible tells us today when you hear his voice harden not your heart, also that you should seek the Lord where he may be found because when you drop dead in that last sin no more repentance. Read Hebrews 3:15, Isaiah 55:6.

Jesus is calling you today to come to him, Matthew 11:28A, he said come unto me, do not wait till tomorrow, repent today and surrender to Jesus, never go into sin again.

*(A True Life Story)*

**D**o you make resolutions in life most especially at the beginning of a New Year in January? Have you ever kept to your resolutions? Do you know anyone who made a resolution you are aware of and he is able to keep it up? Talk they say is cheap but performance is difficult. It is not what you say in life that truly matters but what you do after you have spoken. Have you made promises and fail and have asked yourself what truly happened?

There is the true story of some young men who were into robbery using guns, they became fed up after hearing the gospel from a particular bishop in the southern part of the country of Nigeria, they went to the bishop, surrendered their guns and promised never to go back into armed robbery again. The bishop was kind-hearted and he gave them money to be able to set up some businesses so that they can become productive, which they all went into and were doing pretty well for themselves. However, the bishop warned them never to go back into robbery again. They all continued for a while

and were attending church services.

Very painfully one of them decided to go back into armed robbery, the very first robbery he went into after that time, the Police shot him and right there he died instantly. He lost his life, the devil never allowed him the second chance to repent, he never was able to meet the bishop again nor had time to repent, he died and went into eternal fire and a place of continuous sorrow. All throughout eternity he will not just regret he is a sinner but will regret most for ever going back to that last robbery where he lost his life. He never had the time to seek God the second time, it was over for him.

In John chapter 5, Jesus told the man he healed never to return to sin again and in John chapter 8, Jesus told the woman caught in adultery that he was not condemning her but she should go and sin no more.

There are people that play with religion and are going to church, they will repent today and say
