

D.L. Moody told his son, "Son, do not miss heaven". That is the message coming to you, do not miss heaven. Do not let your soul at the point of departure from your body be captured by Satan in the great world beyond and be carried to a place of torment and darkness, Matthew 25 verse 14, rather, let Jesus send his angel to come carry you to his presence in heaven like the angel Michael carried that of Moses to the bosom of God Jude verse 9. Repent and surrender to Jesus today.

**"IF THIS IS
HEAVEN
WHAT AM I
DOING HERE?"
(A True Life Story)**

That is the exclamation of one of God's general who was used mightily by God, his name is D.L. Moody. Haven worked for the master and laboured in his kingdom at the tail end when he was about leaving this world to meet Jesus in heaven, the Lord showed him the beauty of heaven in a glance. He fell into trance thrice while his son was sitting by him, each time he would suddenly wake up from the trance and exclaim "if this is heaven, what am I doing here", he did that for the third time and beheld his son and told him, "my son do not miss heaven" and then quietly and peacefully he passed on to heaven to be with Christ. Remember in Acts chapter 7, while Stephen was being stoned at the point of passing on, he said he saw the heaven opened and the son of man standing up.

That son of man is the Lord Jesus. Stephen eventually said, Lord Jesus receive my spirit.

On those two occasions we saw the account of two trusted and holy servants of God. Today as you read this they are enjoying eternal bliss with Jesus in the spiritual world.

Only one thing qualified them for that and that is that they got salvation from sin from Jesus. Jesus had transformed them from sinners to saints while they were living in this world. They were at peace with their maker and they never had that fear and horror of the spirit of death for they did not die but only fell asleep. Those who live in sin and refuse to repent on earth, they are always gripped with the fear and horror of death because the spirit of death will pounce on them and begin to emotionally torment them, some are so terrified all because they never made peace with their maker.

In Hebrews 9:27, it is appointed to men once to die, after this the judgment. Why must you die in sin? Why continue living and disobeying God? God is calling you to repentance today.

Jesus has paid the price for your sin, all you need to do is to invite him to come into your heart right now. Tell God how sorry you have been for your sinful lifestyle and plead for his forgiveness.
