

Jesus said, come, no matter how far you have gone into sin, Jesus said, repent; Matthew 11:28, 4:17.

Jesus died on the cross for you, so you do not need to perish in your sin. There is a call to you, repentance towards God and faith in our Lord Jesus, Acts 20:21. Turn from your life of sin and accept Jesus Christ as your Lord and saviour. Do not postpone your repentance from today, the bible said today if you hear his voice harden not your heart, Hebrews 3:15. Do not die in sin, accept Jesus now.

HE ENDED UP AS A
CULTIST
IN THE UNIVERSITY, THEN SOMETHING
TRAGIC
HAPPENED
(A True Life Story)

What a joy it gives a parent of children when they grow up and see them going to the university as undergraduate students. When the parents say goodbye as they see them resume in their school, they hope to see them again. Very unfortunately not all goodbye in that regard result to welcome home at last. May your goodbye never turn to the last for your dear ones as a young person full of life.

There is this story of a young man we were admitted into the university and I was in the same department with her, however it is very unfortunate while most of us were there to study and fulfil the dreams of our parents seeing us graduate, some fellow students had an extra agenda. This said young man went to join a campus occultic group and on the day they were carrying out their initiation the police got to know and they went after them and on sighting the police they opened fire on them and the police responded and in the course of the cross fire he was shot and died instantly. Oh, he lost

his life that was the end of his educational pursuit and dream. When the rest of us returned from holidays the news got to us that our classmate was no more. According to the story, the parents had to come to the campus to carry his belongings out. What a tragedy!! The parents' hope was dashed and very sure they will never recover fully from that pain as long as they live, is more than 30 years now but the memory is still very fresh in my mind.

Friends, what is the value of life? That young man died in his sin and forever he is perished and eternally separated from God and he shall forever spend his end in the place of everlasting fire and punishment prepared for the devil and his angels. Matthew 25:41. He never met Christ, he never repented from his sin, he perished and is lost forever throughout eternity.

No matter who you are presently, God loves you and he does not want you to perish. That young man no one knows how many times he heard about Jesus and rejected it. No matter your sin,
