

for all your sin on the cross of Calvary when he was crucified, all you need do is to go to God in prayer telling him how you have been provoking him every day with your sinful lifestyle and then God will forgive you and wash you with the precious blood of Jesus which he shed on the cross.

But if you refuse, be certain the day of God's mercy will be over, in that day, you shall meet with God face to face and instead of mercy you will see his judgment, that day you will plead for his mercy but he will never listen to you, you will beg but it will amount to nothing because the day of his mercy for you is over. Then you shall hear this; depart from me ye cursed into everlasting fire prepared for the devil and his angels Matthew 25:41. This is the day of mercy, religion without repentance and salvation from sin will not count for you in the day of God's judgment. God's mercy will not always be there for the sinner.

What are you waiting for? Why continue that life of sin? Why not go to God today and repent towards him and put faith in Jesus and you have all your sins forgiven and you be at peace with God escaping his future judgment.

**SHOT DEAD BY HIS
POLICE FATHER

STATION
(True Life Story)**

Have you seen some people take some actions and you begin to wonder why they went that far? In your life, have circumstances sometimes pushed you so hard that you took some decisions that you later regretted? Have you sometimes wondered why you do some of the things you do?

There is this story of a young man whose father was a police officer, this young man became a terror not only to his immediate family but the society at large, he was a terrible armed robber who keeps committing one crime or the another and each time he committed a crime the police father out of compassion for his son would come up, use his influence to plead for mercy and have him rescued or set free. This continued for a while and while the father talked and pleaded with him for a change hoping that one day the boy would change from his life of habitual or continuous crime, the boy refused to change, rather he grew worse, the shame and disgrace he was bringing to his police father and the entire family was getting too much and growing by the day, the boy might have thought his police officer father would always show up in mercy for him anytime he was caught in crime.

A day came that he was involved in another crime and the father was told and invited to come and see the boy and the situation of things, the boy was brought out of the cell and as usual when he saw the father he must have been deluded to think that he had come around to rescue him as in time past, he never knew that was the last he would see

his father and a day of instant judgment on him, he must have been shocked when his own father pointed the gun at him, pulled the trigger and he sent him packing out of this world, he died instantly. That was where the devil that was pushing him into crime was going, he died without mercy from his father who had always showed him mercy. Before his father the days of mercy were over, judgment came on him.

My friend as you read this, do you know God almighty is like that earthly father? He created you and you have been living in sin, committing fornication, adultery, lying, stealing, prostitution, lesbianism, homosexuality, gay, drunkenness, cheating, smoking, fighting, robbery, occultism, watching pornography, sleeping with animals (bestiality), murder, bribery and corruption, illicit drug addiction, oppressing others and other various sins that men commit but God has kept you alive, he is giving you time to repent and turn to him so that he can forgive you, yet you persist and continue your life of sin thinking everything is normal.

In Isaiah 55:7, the bible commands all men thus; let the wicked forsake his way and the unrighteous man his thoughts and let him return unto the Lord and he will have mercy upon him and to our God for he will abundantly pardon.

That is God calling you to come to him, Jesus said, repent, Matthew 11:28A, come unto me, Jesus has paid the price
